(1) The current obligor for this series of notes is Pepsi-Cola Metropolitan Bottling Company, Inc. (“Metro”), a wholly owned subsidiary of PepsiCo, and this series of notes was, prior to the amendments referred to below becoming operative, guaranteed by PepsiCo.

(2) Prior to settlement of notes tendered on or before October 24, 2018.

(3) Per \$1,000 principal amount of notes accepted for purchase; excludes accrued and unpaid interest.

PepsiCo previously announced that the “Total Consideration” payable for each \$1,000 principal amount of notes accepted is as set forth in the table above. The Offer to

Purchase noted that an “Early Tender Payment” of \$30 per \$1,000 principal amount would not be paid for notes tendered after the “Early Tender Time” of 5:00 p.m., New York City time, on October 24, 2018. PepsiCo previously announced that it had waived this provision, and instead will deliver the full Total Consideration for notes validly tendered after the Early Tender Time and at or prior to the Expiration Time. In addition to the Total Consideration, holders of notes accepted for payment and not previously settled will receive accrued and unpaid interest from the last interest payment date for such notes to, but not including, the final settlement date for such notes, which is expected to be November 9, 2018.

As part of each tender offer for a series of notes that was not issued by PepsiCo, as set forth in the table above (referred to as the “Metro Notes”), PepsiCo solicited consents to certain proposed amendments to the corresponding indentures pursuant to which such Metro Notes were issued and a proposed amendment to the PepsiCo guarantee to release the PepsiCo guarantee insofar as it applies to such Metro Notes. PepsiCo received sufficient consents to enter into the proposed amendments for all Metro Notes, which it entered into on October 24, 2018.
