

PepsiCo Global Palm Oil Supplier List, 2019

June 2019

This supplier list is current as of June 2019. The list reflects our supply chain-mapping effort and is subject to change as supply chain flows evolve on a regular basis.

We published a complete list of our direct palm oil suppliers and mills for the first time in 2018. These disclosures build on our practice since 2015 to disclose our top palm oil suppliers, currently Cargill, Oleofinos and Wilmar. Seventy percent of our palm oil globally is currently supplied by the following nine companies: AAK AK, Bunge Limited, Cargill Incorporated, COFCO Corporation, IFFCO International, Industrializadora Oleofinos SA De CV, United Oils Processing & Packaging, Willowton Group and Wilmar International Limited.

Enhancing traceability plays a critical role in addressing deforestation and human rights challenges in the palm oil sector and we have welcomed the trend for greater transparency. In collaboration with our partners, we will continue to work to improve our palm oil supply chain. Our recent 2018 Palm Oil Progress Report provides additional detail on the measures we have taken as part of our wider palm oil strategy to achieve a NDPE palm oil supply chain.
