

PepsiCo Global Fiber Supplier List, 2024

Below is a list of direct fiber suppliers for PepsiCo's company owned operations during 2024. This list reflects our supply chain mapping effort and is subject to change as supply chain flows evolve on a regular basis. Wood fiber products are used in a wide range of PepsiCo's primary, secondary and tertiary packing. PepsiCo's main fiber need is corrugated cardboard for secondary packaging.

Latest Update: August 7, 2025
